OUTDOOR

In this package there are a number of larger than life activities connected to football. Each team plays in a mini league, competing in all the activities; however, football skills are not a pre-requisite for any of them!

We invented this giant football game back in the 1990s! The inflatable pitch comes in a variety of sizes, depending on the number of teams involved, all the way up to our 100 ft long by 40 ft wide pitch.

Activities can include:

- Human Table Football
- Inflatable Football Shootout
- Keepie-uppie Challenge
- Team Kit Design

Our packages truly have to be seen to be believed, from our giant human sized table football pitch, to an inflatable shootout goal. The scale and variety of our packages ensures that you will find something to entertain everyone, from the keenest football fan to those who know nothing about the sport whatsoever.

This package includes:

- A Human Table Football pitch, including referee tower
- A selection of supporting activities, including all equipment
- 3m pop-up marquees at each activity area
